

**POSITION: PROJECT MANAGER**

**LOCATION: MANCHESTER, NH**

---

## **WHO WE ARE**

Acuant is a next gen Identity Verification Platform that reduces fraud while providing a seamless customer experience. Award-winning products include ID capture and auto-fill software and ID authentication with the industry's highest speed and accuracy rates. Solutions are deployable via web services (cloud), mobile and desktop applications. Acuant also offers Chip and e-Passport authentication with PKI, facial recognition software and manual review of IDs.

Holding more than 20 patents and powered by human-assisted machine learning, Acuant possesses the industry's largest ID library and has completed more than 3 billion transactions worldwide. Partners include Fortune 500 and FTSE 350 organizations and start-ups in all industries. For more information please visit [WWW.ACUANTCORP.COM](http://WWW.ACUANTCORP.COM).

## **WHAT WE LOOK FOR**

Acuant is growing and we have a need for a self-motivated Project Manager. The successful candidate will work directly with clients to ensure deliverables fall within the applicable scope and budget. The ideal candidate will have a client centric approach to shape or reform the client's beliefs to feasibly be able to address the client's objectives. He or she will coordinate with other departments to ensure all aspects of each project are compatible. We are looking for a creative and dedicated individual who will fit with our collaborative culture. If you enjoy working with other professionals who believe in creating innovative solutions to problems, we encourage you to apply.

We are building on our success and expanding rapidly. This is an exceptional opportunity to join a high growth company in the technology space.

We're looking for a hard-working and self-motivated individual who can fit into our culture and who wants to grow their career in our fast-paced sales organization.

Requirements include:

- College degree and 3 years' experience in project management, sales or software development.
- Experience with process improvement
- Excellent client-facing communication skills
- The ability and desire to work in a fast-paced challenging environment
- The desire to meet and exceed measurable performance goals
- The ability to problem solve
- Fanatical attention to detail
- Strong organizational, time management and interpersonal/communication skills

- A sharp focus on your goals
- Tons of energy, honesty, passion, sense of humor, compassion, and enthusiasm
- Expertise with MS Office Suite, Google Apps, and Salesforce.com

## **WHAT YOU BE RESPONSIBLE FOR**

In this role, you will:

- Meet with clients (on the phone and possibly in-person) to take detailed ordering briefs and clarify specific requirements of each project
- Delegate project tasks to the appropriate personnel within each department
- Track project performance, specifically to analyze the successful completion of short- and long-term goals
- Meet budgetary objectives and make adjustments to project constraints based on financial analysis
- Develop comprehensive project plans to be shared with clients as well as other staff members
- Use and continually develop leadership skills

## **HOW WE VALUE OUR EMPLOYEES**

- You will always be heard, decisions are collaborative
- Competitive compensation
- Challenging and rewarding work
- Generous benefits package
- Work with an incredible team of smart and mission-driven people
