

POSITION: .NET DEVELOPER

LOCATION: MANCHESTER, NH

WHO WE ARE

Acuant is a next gen Identity Verification Platform that reduces fraud while providing a seamless customer experience. Award-winning products include ID capture and auto-fill software and ID authentication with the industry's highest speed and accuracy rates. Solutions are deployable via web services (cloud), mobile and desktop applications. Acuant also offers Chip and e-Passport authentication with PKI, facial recognition software and manual review of IDs.

Holding more than 20 patents and powered by human-assisted machine learning, Acuant possesses the industry's largest ID library and has completed more than 3 billion transactions worldwide. Partners include Fortune 500 and FTSE 350 organizations and start-ups in all industries. For more information please visit WWW.ACUANTCORP.COM.

WHAT WE LOOK FOR

We are seeking a .NET Developer who is innovative, resourceful and passionate about cloud products. Acuant is looking for game changers with a passion for software development and solving real world problems; not just someone who can code, but someone who's curious and is always game to try new things.

As a .NET Developer, not only are you an excellent programmer, you are also someone who sincerely enjoys the art of finding simple, efficient, and sustainable ways of solving problems as you will be responsible for the full cycle of design, development, and deployment of Acuant's products.

- 2- 5 years of development experience in C#, Web API, MSSQL/MySQL and Microsoft .NET technologies.
- Experience with n-tier enterprise software development with Microsoft web technologies.
- Fluency in working with Git, Visual Studio, Agile, SCRUM, TDD methodology.
- Fluency in working with third party APIs and SDKs.
- Experience with deployment on AWS is a plus.
- Experience with CI/CD is a plus.
- Strong troubleshooting and problem-solving skills.
- Excellent verbal and written communication skills.
- Detail-oriented, very responsive, and committed to quality.

HOW WE VALUE OUR EMPLOYEES

- You will always be heard, decisions are collaborative
- Competitive compensation
